Lifesaving Society Swim Program

- Parent & Tot
- Adult Swimmer
- Preschool
- Fitness Swimmer
- Swimmer

The Lifesaving Society's Swim Program makes sure your kids are Water Smart® before they get in too deep.

The Society works to prevent drowning and water-related injury through its training programs, Water Smart® education, safety management services, drowning research and lifesaving sport. Annually, over 1,000,000 Canadians participate in the Lifesaving Society's swimming, lifesaving, lifeguard and leadership training programs.

The Society certifies all of Canada's National Lifeguards.

The Society is a national, charitable organization educating Canadians since the first Lifesaving Society Bronze Medallion was earned in 1896.

- Workout 300 m

Water Smart® Education

- Swim with a Buddy
- Wear a Lifejacket
- Check the Ice
- Swim to Survive
- Within Arms' Reach

Be Water Smart – Always wear your lifejacket.

Putting your lifejacket on when you get into the boat is the same as putting your seatbelt on when you get into the car. It won't work if you don't wear it.
