

LIFESAVING SOCIETY MANITOBA Job Opportunity – Equipment Cleaner

Job Posting: Equipment Cleaner (Casual, Saturdays)

Lifesaving Society Manitoba – Northern Water Smart Program

Position Type: Casual, Part-Time

Schedule: a flexible 4-hour shift completed between Saturday 12:00 PM and Sunday 2:00 PM

Term: June 27 – August 29, 2026

Location: Winnipeg, Manitoba

About the Role

The Lifesaving Society Manitoba is seeking a reliable and detail-oriented Equipment Cleaner to support the Northern Water Smart Program throughout the summer. This role ensures CPR manikins and first aid training equipment are properly cleaned, sanitized, dried, and prepared for instructors each week.

This behind-the-scenes position plays an important role in supporting safe, high-quality first aid and lifesaving training across Manitoba.

Key Responsibilities

- Clean, disinfect, and dry CPR manikins, AED trainers, first aid supplies, and other program equipment.
- Inspect equipment for damage or missing components and report issues to program staff.
- Organize equipment sets for instructor pickup.
- Maintain a clean and orderly workspace.
- Ensure all equipment is ready for instructor pickup by Sunday at 2:00 PM.
- Manage equipment drop-off and pickup timelines:
 - Instructors drop off equipment by Saturday at 10:00 AM
 - Instructors pick up equipment by Sunday at 2:00 PM

Qualifications

- Strong attention to detail and commitment to cleanliness.
- Ability to work independently and manage time effectively.
- Comfortable handling cleaning products and following sanitation procedures.
- Reliability is essential—this role supports instructors on a tight weekly schedule.

What We Offer

- A supportive team environment within a respected non-profit organization
- An opportunity to contribute to drowning prevention and water safety education across Manitoba.
- Casual summer hours ideal for students or individuals seeking supplemental income.
