the Bronze Levels Revisions**

***Dates and important information for Affiliate for implementation  
of the Bronze Levels Revisions:***

- By July 1, 2021 all affiliates must have switched over to the revised Bronze Levels.
- You may switch to the revised program sooner if your Lifesaving Instructors have either:
  - passed a Lifesaving and First Aid Instructor Recert held after April 1, 2021, or
  - (if their certifications are not expiring) completed the online Bronze Revisions.

[Click here](#) for detailed information on the Lifesaving and First Aid Instructor update process.

- All Lifesaving Society instructors, examiners and trainers will receive a Bronze Revisions 2021 certification card.
- After July 1<sup>st</sup> any instructor or examiner listed on a Bronze Levels test sheets must have completed the revisions before the start of the course or the test sheet and exam will not be valid – and candidates who are marked as passed will not be certified.
- Effective April 1, 2021 all Lifesaving and First Aid Instructor Courses will include the Bronze Levels Revisions content
- There are now candidate workbooks for Bronze Medallion and Bronze Cross. These books are available on [Lifeguardshop.ca](http://lifeguardshop.ca).
- All test sheets, candidate evaluation forms, and instructor resource materials are available on the [Toolkit](#).
- If you have Lifesaving and First Aid Instructor boxes with old Bronze Medals Award Guides in inventory, please contact [Kathy Plett](#) to make arrangements to replace them and upgrade the boxes to the new course material.
- For up-to-date information on policies and procedures for Lifesaving Society programs refer to the latest edition of the [Program Guide](#) on our web site.
