Bronze Levels Revisions

Dates and important information for the mandatory update of instructors and examiners for the Bronze Levels Revisions:

- By July 1, 2021, all affiliates must switch over to the revised Bronze Levels.
- All Lifesaving and First Aid instructors and examiners must complete the mandatory update before they can teach or examine the revised Bronze Levels.
- Instructors must have a [Toolkit](#) Account to complete the update. If you do not have one, [Click Here](#) to create one.
- The update may be done either of the following two ways:
 - If instructor certifications are expiring before teaching Lifesaving programs:
 - Purchase a mandatory Lifesaving & First Aid Instructor Recertification Package and pass a Lifesaving and First Aid Instructor Recert held after April 1, 2021
 - or
 - If instructor certifications are/will be current before teaching Lifesaving programs:
 - Purchase a mandatory Lifesaving & First Aid Instructor Revisions Package, complete the online Bronze Revisions video and exam.
NOTE: Instructors must have purchased the Revisions Package and passed the written test to receive the mandatory Bronze Revisions 2021 certification
- All Lifesaving Society instructors, examiners and trainers will receive a Bronze Revisions 2021 certification card.
- After July 1st any instructor or examiner listed on a Bronze Levels test sheets must have completed the revisions before the start of the course or the test sheet and exam will not be valid – and candidates who are marked as passed will not be certified.
- There are now candidate workbooks for Bronze Medallion and Bronze Cross. These books are available on [Lifeguardshop.ca](#).
- All test sheets, candidate evaluation forms, and instructor resource materials are available on the [Toolkit](#).
- For up-to-date information on policies and procedures for Lifesaving Society programs refer to the latest edition of the [Program Guide](#) on our web site.
